

TRACER Bull Pack

Top dress Mineral Premix for Bulls

Product Description: Bull Pack get bulls prepared for breeding season or help problem bulls develop higher quality and volume semen for collection. Help overcome potential antagonistic minerals that may be inhibiting hormone production and bull performance. Red blood cells turn over in the body every 90 days so plan on this program taking about 3 months for full benefit if you have problem bulls with feet and testicle development.

Feeding Directions:

Premium Bull Premix to performance bulls as a top dress premix on top of a complete feed. Premium Bull Premix should be fed at a rate of 0.50 lbs. (8 ounces) per bull per day. For best results feed in two daily servings of 4 ounces per feeding. Always provide clean, fresh water.

GUARANTEED ANALYSIS:
